Xiphophorus - Northern Platyfish

CLUB/ORGANIZATION

AME

CAPACITY

3000-4000 liter

VIVARISTIC EXPERIENCE

Date (from)

[geographical area, family](#)

Livebearer toothcarps

[breeding success](#)

Xiphophorus andersi, X. continens, X. kallmani, X. montezumae, X. helleri Rio Jalapa, X. variatus El Zarco, X. variatus La Laguna, X. multilineatus, X. variatus Rio Pantepec

Motive force

I love fish since I was a kid, my first fish was guppy. My favourite group are Xiphophorus-species, which I have many experience with. I would like to contribute to the conservation of endangered species as well.
